

# MAGNIFICENT 7 BEST LATIN AMERICAN LODGES

From Sunvil Latin America

## LATIN AMERICA

A region with 20 countries and a population of more than 620 million people - and now, some of the most wonderful lodges in the world. Whether you want peace and quiet, amazing wildlife, rainforest or great trekking country - it's possible to experience it all in comfort and style. Here is the Magnificent 7

### Luna Lodge

Osa peninsula, Costa Rica . Great for wildlife observation as it's spread over 150 acres - 75 of which is primary rainforest - and the Corcovado National Park is close by. Also a relaxing place for yoga.

### Pacuare Jungle lodge

Pacuare River, Costa Rica. Raft into and out of the lodge, surrounded by pristine wilderness. Lit by candlelight at night creating a magical atmosphere - ideal for honeymooners. Horse-ride and hike to the local indian community (a rarity in Costa Rica). Rooms have private suspension bridges and plunge pools.

### Sacha Lodge

Ecuadorian Amazon basin. Overlooks a tranquil oxbow lake and rainforest teeming with wildlife. There is an observation tower and a high suspended 300 metre walkway.

### El Mercado

Cusco, Peru. Just a couple of blocks from Plaza das Almas (main square) - main archaeological sites and restaurants. The decor is tasteful and there is a very friendly vibe around the place.

### Belmond das Cataratas

Iguacu National Park, Brazil. Just cross the road and join the trail down to the boardwalk directly in front of the falls. See toucans, ocelots and hummingbirds in the hotel grounds and on the trails.

### Rincon del Socorro

Esteros del Ibera Wetlands, Argentina. A rustic place but a great location for wildlife safaris to rival the Pantanal in Brazil

### Tierra Patagonia

Patagonia, Chile. A stylishly-designed property in a stunning location with amazing views and first-class service - set in great trekking country.
